OUR IDENTITY

AMIT INTERNATIONAL GROUP FZE is synonymous with four decades of heritage, excellence, ambition, integrity and determination. Founded and headquartered in the United Arab Emirates since 1981, AMIT INTERNATIONAL GROUP FZE (AIG) has navigated through intense tides of challenges and growth by its founding father ABDULLA MOHAMMED IBRAHIM, a veteran Sea-Captain.

Today, with 45 years of glorious existence and with global footprints across Middle East and Southern Asia, AIG continues to be the region's leading enterprise for modern marine and land technologies. With a humble beginning to cater to the burgeoning demand for modern marine equipment in the region with a strong maritime tradition, AIG has formed many successful milestones along its journey.

To provide solutions to the toughest challenges, AIG does things differently, creatively and vigorously, supported by a highly qualified team of dedicated professionals, that drives on a culture of Innovation and Strategic Decision Making.

AIG's unparalleled experience, revolutionary portfolio of technologies, state-of-the-art prouct- service ecosystem, and relentless focus on infrastructure & sustainability provide its customers with flexibility and safety, regardless of the market conditions, while reinstating AIG as an unparalleled market player.

AMIT EXECUTIVE LEADERSHIP

AMIT INTERNATIONAL GROUP FZE (AIG) takes pride and honor being aligned with UAE's aspiration of pioneering modern thoughts and revolutionary transformations. The visionary Group Leadership has undeniably entrenched AIG's DNA with empowering & engaging people, transparency in communications, and dynamic innovations, whilst being rooted to the cultural and moral heritage.

"The landscape of marine and outdoor industry is shifting with the technological advancement. Having Sea and Trading in our DNA, we, the people of AMIT INTERNATIONAL GROUP, have earned globally renowned brands as partners to import, export and distribute products & services from Marine & Navigation to Water sport, Outdoor recreation, and Fitness sectors."

85 YEARS OF INNOVATION IN MARINE. INNUMERABLE MILESTONES AND AWARDS.

MERCURY MARINE is a leading global manufacturer of marine propulsion systems. Established in 1939, the company is renowned for its innovation, quality, and performance in the marine industry. The company offers a comprehensive range of outboard, inboard, and sterndrive engines, as well as parts and accessories designed to enhance the boating experience.

Creating AMIT MARINE LTD. with MERCURY MARINE's support offers a strategic advantage when entering the markets in KSA & Bahrain. MERCURY MARINE, renowned for its cutting-edge propulsion systems, contributes the latest and most efficient outboard, inboard, and sterndrive engines, ensuring AML can offer superior performance and reliability to its customers.

By integrating MERCURY MARINE's state-of-the-art propulsion systems, AML can offer a comprehensive portfolio of marine products. This synergy guarantees that customers have access to the highest quality equipment and services, catering to both recreational and commercial marine sectors.

AMIT MARINE LTD. will also benefit from MERCURY MARINE's commitment to customer satisfaction, ensuring robust after-sales support. It can provide prompt and efficient maintenance, repair, and support services, thereby enhancing customer loyalty and retention.

By leveraging the combined strengths of AMS and MERCURY MARINE, AML is well-positioned to become a leading provider of marine solutions in KSA and Bahrain, offering unparalleled quality, innovation, and customer service.

MERCURY RACING

MERCURY RACING is known for transforming ideas into horsepower and speed, leveraging technology and creativity. MERCURY RACING invests in state-of-the-art facilities to maintain their reputation for excellence. Driven by passion for speed and racing, MERCURY RACING aims to keep customers at the forefront.

The MERCURY RACING Apex Series sets the standard for closed-course racing with real-world performance validation and over fifty years of innovation in high-speed engineering.

The R-Series outboards, tailored for the KSA and Bahrain markets, deliver high power density and reliability with exclusive designs and technology, offering a range of horsepower and gearcase configurations for unmatched speed and precision.

MERCURY RACING PRODUCTS

MERCURY RACING's premium products deliver unmatched performance and quality to customers in KSA and Bahrain, setting new marine industry standards.

The R-Series engines epitomize high-performance marine engineering, designed for extreme reliability, acceleration, and durability, catering to both enthusiasts and professional racers.

By leveraging these renowned products, AML positions itself as a leader in the KSA and Bahrain marine markets, dedicated to top-tier performance, innovation, and customer satisfaction. Embrace the power of MERCURY RACING–where speed meets precision, and every journey is an exhilarating pursuit of excellence.

MERCURY RACING SERVICES

MERCURY RACING offers comprehensive maintenance resources to help boat owners in KSA and Bahrain maintain and optimize their products. These resources include routine maintenance tips and troubleshooting guides to maximize performance and reliability.

By providing expert advice, MERCURY RACING boosts customer confidence and reinforces its reputation for quality and reliability in the marine industry.

LEGENDARY FOR EXCITEMENT

MERCURY MERCRUISER®

With over 50 years of innovation, MERCRUISER® engines are engineered for exceptional performance and ease of operation. Designed specifically for marine use, these engines are smooth, quiet, and easy to maintain, allowing you to focus on fun.

Built from advanced alloys and tested rigorously, MERCRUISER® engines offer unmatched reliability and durability. They combine noise reduction, high-performance features, and effortless maintenance, setting a new standard in boating excellence.

WHY MERCRUISER®

NOISE REDUCTION: Enjoy clear conversations and peace on the water with MerCruiser® engines' advanced sound-dampening technology.

PERFORMANCE: High-displacement engines and multi-port fuel injection provide responsive power and fuel efficiency for exhilarating acceleration.

EFFORTLESS OWNERSHIP: Redesigned for convenience, MerCruiser® engines feature centrally located, color-coded service points for easier maintenance.

DURABILITY: Tested rigorously, MerCruiser® engines are made from robust alloys and superior paints, ensuring long-lasting performance in tough conditions.

MERCURY SMARTCRAFT® ENHANCEMENTS

DIGITAL THROTTLE & SHIFT (DTS): Enjoy smooth shifting and instant throttle response for a responsive ride.

ACTIVE TRIM: Automatically adjusts trim levels for optimal efficiency and smooth trips.

JOYSTICK PILOTING: Navigate with intuitive joystick controls for digital anchoring and 360° maneuverability, including Auto Heading and Route features.

VESSELVIEW: Convert your helm into a command center with VesselView displays, integrating engine data, digital controls, navigation charts, sonar, and entertainment into a touchscreen interface.

STERNDRIVE AND INBOARD ENGINES

MERCRUISER® LINEUP: Includes Tow Sport engines and Mercury Diesel options, providing powerful performance and precise control for sports boats and luxury
